

EDUCATION

Indiana University	College of Arts & Sciences, Bachelor of Liberal Studies Major: Video Production and Editing Minor: Comparative Arts	Sept. 2021 – August 2025
Jupiter Community High School	High School Diploma	Spring 2021

EXPERIENCE

Footage Finesse Mentorship (Fall 2025 – Currently) - Supported content development and digital communications through video editing for the owner, gaining hands-on experience through projects, including editing previously released client work. Developed skills in post-production workflow on multiple platforms, editing techniques in color grading and correction, audio production, and professional standards.

Self-Developer of Music Lyrics Videos - Independently managed project development of several lyrics videos, including daily communications with artists in combining their professional persona with their cultural content to demonstrate their brand.

Indiana University, Media School (Fall 2022 – Spring 2025) - Managed the Media Lab, including supervising student use of university equipment and providing demonstrations on proper operation. Equipment included various camera systems (DSLR and others), multiple Mac-based editing software platforms, and podcast recording booths for voice-over production.

Cinepolis Luxury Theaters (Summer 2021, 2022, 2023) - Rotated through multiple departments within the theater organization, including managing cash transactions totaling thousands of dollars at the box office, handling food and beverage sales at concessions, and maintaining cleanliness across theater facilities, including restrooms and cinema spaces.

Self-Developer and publisher of Skateboard Promotions - Produced and published skateboarding videos used for competition entries and sponsorship applications, resulting in successful sponsorships with Avalanche Skate Shop / Skates USA. Led in all stages of production and post-production, including filming and editing.
